Directions to Camp Arroyo

Heading East or Westbound on I-580

- Take I-580 towards Livermore.
- Take the N. Livermore Road exit. Head South on N. Livermore Road. As you get through downtown Livermore, the road will change to S. Livermore Road. You will travel about 2.5 miles from the freeway exit to Concannon Blvd..
- Turn right onto Concannon. Stay on Concannon for 1 mile to Arroyo Road.
- Turn left onto Arroyo Road. You will travel on Arroyo Road for about 3.4 miles to our BROWN cattle gate.

As you travel down Arroyo Road you will pass some residential areas, the VA Hospital and Wente Restaurant/Golf Course. After you have passed Wente, you will cross over a narrow bridge in the road (sides are painted white). Follow the road as it turns to the left and heads up a short hill. Look for the BROWN cattle gate on your right which you will need to unlatch and swing open toward your car. Please close the gate after you have entered. You may unload vehicles at the top of the hill near the cabins; however, all vehicles must be moved to the lower parking lot for overnight parking.

The gate on Arroyo road is opened at dawn and closed at dusk. Actual times will vary throughout the year depending on the season/daylight hours. Please verify gate opening and closing times with us before your arrival should you have participants arriving at different times.
